

You are now part of an exciting new program that will help transition Veterans back into our community – Rural Transitions Nurse Program

# Thank you...

**5.2 million Veterans live in rural communities across the United States.**

**1. Nurse obtains follow up appointment with PCP Clinic (within 14 days of discharge)**

**3. Nurse completes a follow up post discharge call to patient (within 48 hours)**

**Our intervention follows a 4 step process carried out by the Transitions Nurse**

**2. Nurse informs PACT clinic of post discharge needs and follow up recommendations via encrypted electronic communication.**

**4. Nurse engages with the rural PCP and PACT RN to ensure continuity of care and information exchange**
